

February 25, 2023

Dear Friend:

Our **Driving for a Cure Golf Tournament is BACK** and we are incredibly excited to hold our 8th Annual Fundraiser event **Monday, May 15th** at the beautiful **Dominion Valley Country Club** in Haymarket, VA!

We are looking for the support of local businesses and individual donors who would love to partner with us! This event has consistently been our most successful fundraiser each year and as you may know despite the later date due to our local area graduations, we still anticipate this event selling out. Your business and generosity will be proudly displayed and recognized not only in front of the participants, but also will reach our volunteers, the staff and community at Dominion Valley Country Club, as well as on our website following the event!

Since established in 2014, we have maintained our focus in 3 core areas: Funding Research with a whopping total to date of \$575,000 provided; Raising awareness for all childhood cancers (we know that increased awareness brings an increase in funding which will one day lead to cures!); and being a source of support and encouragement for not only families impacted by childhood cancers but in fact to the entire childhood cancer communities who love & support them as well.

We are honored to have been able to help in the ways we have, but we can only do this through the financial support of incredibly generous businesses and donors like you.

We are seeking financial sponsorships for this event as well as in-kind donations to be used for raffle prizes and our silent auction. Alex's Army CCF is a 501c3 non-profit and all donations are tax-deductible. Your support truly makes a difference in the lives of children and families whose lives are forever changed by a childhood cancer diagnosis!

Please contact us for more information regarding sponsorship, we would love to speak with you directly and answer any questions you may have. We sincerely thank you for your consideration!

With Faith, Hope, and Love Always,
Derek & Jenni Green (Co-Founders)
Alex's Army Childhood Cancer Foundation
